

GLOBAL VILLAGE

Build in Vietnam

JOIN OUR TEAM

2 - 10 MAY 2026

Registrations strictly close 5th February 2026 or when team is full.

Spend a week volunteering in Vietnam alongside local families so they can access a safe and decent place to call home.

Project

This build project is working in Da Nang, Central Vietnam, working alongside families to build secure homes, helping address inadequate housing in the community.

Typical volunteer tasks could include mixing mortar and concrete, sifting sand, laying bricks, tying rebar or moving construction materials.

When

2-10 May 2026

Cost

\$3,070*

*Please note this is a tentative cost and does not include airfares or visa costs.
